

02 - Davis Cemetery

Circa 1880

St Albans, Somerset County, Maine

Fall 2008

Heading North from Hartland to St. Albans on Route 152, turn right at the blinking light, Corinna Road Route 43 and proceed approximately 2.2 miles to Bubar Road. Travel until you get to a sharp corner with a large farm to the right, just before the farm there was a small cemetery there some time ago and a stone wall was built over the cemetery. The pictures are only a guess of where the cemetery was. Approximate time period for this cemetery was about 1870 to 1880's.

There is a map of 1883 which lists J. L. Davis living here on Bubar Road and in the 1880 United States Census John L Davis, Head, age 51 from New Hampshire and Mary A Davis, Wife, age 41 from Maine were listed. At the time of this publication there are no other signs of John or Mary in the cemeteries in town or surrounding towns.
