# History of the Strasburg Schools

## Strasburg, North Dakota

Formal education began in Strasburg in the year 1903-1904. The following were the first school board members: Mike Baumgartner, Sr., Clerk; John J. Baumgartner, Sr., Treasurer; Jacob Feist, Jacob Baumgartner and Franz Roehrich.

When school started that fall, there were sixty-five boys and sixty-five girls residing in the Strasburg School District. There were only four months of school this first year. The board hired eight teachers for the District that year. A. J. Baumgartner was one of those first teachers. Not every boy or girl went to school during those early days. In 1909, of the 334 children in the Strasburg School District, only 224 children attended school for about twelve weeks. Some of those early teachers from the year 1903-1904, who are best remembered were: A. Nergert, Emil J. Kopp, John Biegler, Mike Baumgartner Sr., Aloys Phillips, and Conrad Kraft. All in all about 75 teachers taught in the Strasburg School District during the years 1903-1914.

The first Parochial school in this area opened its doors after the basement of the St. Peter and Paul's Church was completed on September 21, 1910. Soon thereafter, the Ursuline Sisters arrived from their mother house, Calverimberg, Ahreveiber, Germany. The first Parochial School began its classes that fall on November 7th, with seventy pupils attending. Father Max Speckmeier was then the Parish Priest. By November of that same year, the school enrollment had increased to 170 children, so that extra class rooms had to be arranged for in the church basement. Some of the first teachers were Sister Edith, Sr. Hildegard, Sr. Philiberta, Sr. Serphine, Sr. Henrica, Sr. Innocentia, Sr. Pauline, Sr. Carola and Sr. Georgia.

In June of the year 1911, the first school program was given the evening of the church patronal feast day of June 29th. By the year 1913 over 200 children had enrolled, and a nine month school term was inaugurated. Children from various parishes came to this early Parochial School. During this time it was also decided to have all eight grades operating.

In 1914, some of the Sisters helped with some of the classes in the Public School and a lay teacher was also hired. This two room school house was located a short distance north of the present John J. Baumgartner residence. This same school was later remodeled into the present Clemens Roehrich home. In the spring of 1914, five eighth graders passed their grade state examinations. This same year during Christmas, the first party for the school children materialized with about 225 children present.

In 1916, schools had to be closed because of an outbreak of diphtheria. Things became too crowded in the church basement; therefore, in 1917, a new Parochial School was built at a cost of about \$50,000.

By 1917, the Strasburg Public school functioned on its own and some of the others, such as Lake District began to operate in their districts. Mr. Briggles was then County Superintendent of Schools.

By the fall of 1918, the new St. Benedict's School was opened with 132 pupils attending. One high school class also was organized at this time. There weren't enough students to keep high school going so the attempt was given up. By the year 1920 about 200 children were attending St. Benedict's school. In the year 1923-1924 a new start was made for a new high school at St. Benedict's. Math P. Moszer, John J. Baumgartner Jr., Aloysius E. Kopp and Tillie Lipp were the first freshmen. These four continued through high school and became the first high school graduates in the year 1927.

From 1917 on, the Public School consisted of a two room structure—now the Clemens Roehrich home. Some of the teachers of that time up to 1930 were: Comelia Greve 1915-1917, Verda Gears 1917-1918, Harry Collins 1921-1922, Mrs. Frank Baumgartner 1921-1922, John Hoaring 1924-1925, Francis Bauman 1925-1926, William S. Angeil 1926-1928, Thersa Hofart 1928-1931, Clara Zeltinger 1928-1929, Maurice P. Van Soest 1930-1931.

As 1929 rolled along and the depression years followed, we found the schools hard hit. The Parochial school soon hereafter discontinued and the whole school system of Strasburg was taken by the Strasburg School District. In 1935 during the WPA days the Public School Gymnasium was built. Joe S. Bauman was president of the school board at

that time. Beginning of 1931-1932, the teachers in the new system were Sister Veronica, Sr. Consolatrix, Mary T. Wagner, Ida Keber and John J. Baumgartner, Jr., 1931-1934. Some other teachers were: Mrs. Gus Berglund 1933-1934, James Borr 1935-1936, Irene Lynch 1935-1936, Henry Weber 1936-1937, Agnes Baumgartner 1936-1937, Pius K. Mastel 1937-1938, Agatha Brickner 1937-1938, Eugene E. Kraft 1938-1941, Sylvester Borth 1941-1942, Father Florian Fairbanks 1941-1942, the first football coach in the system. John J. Baumgartner, Jr. had charge of athletics and band from 1931-1949. Mr. Weber coached in 1936-1938.

The Ursuline Sisters continued to teach in the Strasburg School District until 1942-1943 school year came to an end. Some of the Ursuline teachers of this time were Sister Veronica, Sister Consolatrix, Sr. Felicia, Sister Emilia, Sister Josepha, Sr. Thaddea, Sr. Berthilda, Sr. Angela, Sr. Alexine, Sr. Paula, Sr. Melania, Sr. Mary Rita, Sr. Cecilia, Sr. Magdalene, Sr. Angela, and Sr. Clementia. In the fall of 1943, the well beloved Ursuline Sisters left Strasburg, and the School Sisters of Notre Dame came to Strasburg and began work in our school system. Some of the Notre Dame Sisters to teach in the school system were: Sr. Limona, Sr. Bernadia, Sr. Eugenia, Sr. Aquin, Sr. Rosina, Sr. Lea, Sr. Anacleto, Sr. Euphemia, Sr. Lequoria, Sr. Euphemia, Sr. Leonilla, Sr. Cleopha, Sr. Anarlete, Sr. Carmen, Sr. Kathleen, Sr. Lucida, Sr. Isabelle, Sr. Josepha, Sr. Celine, Sr. Thomas Acquinas, Sr. Mary Thomas, Sr. Richard Anthony, Sr. Kathleen, Sr. Mary Joyce, Sr. Josella, Sr. Aloysius, Sr. Mary Jose, Sr. Mary Frances, Sr. Magelena, Sr. Mario, Sr. Stephen Marie, Sr. Kacinta, Sr. Marie, Sr. Joseita, Sr. Magdala, Sr. Celestine, Sr. Roger.

In 1949 the new addition to what now is St. Benedict School was completed and the high school department was moved into this new addition. A shop course in woodcraft was now added to the curriculum and the following years, leathercraft and blue print reading were also offered in the general shop courses. John J. Baumgartner, Jr., became the shop instructor, and George Hanrahan came into our system as coach. Some of the other lay teachers in later years were: John J. Baumgartner, Jr., 1938-1949, George Hanrahan 1949-1952, James D. Turgeon 1951-1952, William Zacher 1953-1960, Richard Wasco 1953-1955, Herman Baumgartner 1956, Margorie Cichos 1956, Philippine Berglund 1955-1961, Edward Muckenhorn 1954-1955, Aloys Dosch 1957-1962, Mrs. James Buckholz 1957-1958, Reynold Buckholz 1957-1959, William Fox 1957-1960, Mrs. Shirley Zeller 1958-1959, Jack Sitter 1959-1961, and Raymond J. Lehner 1959-1961.

In the year 1951, a new department was added to the Public School System, namely, an agricultural training program for Veterans of World War II. Classes were conducted in various places. The teachers in this department were: Douglas Nielson 1951-1953, Donald Hillman 1951-1953, Andrew E. Bossel 1951-1953, Norman Anderson 1953-1957, and Glen Norberg 1956-1960.

The year 1960 saw a tremendous change in our school system, St. Peter and Paul's Parish under the pastorship of Father Michael Messer, OSB., decided to operate a grade and high school of its own. This made it necessary for the Strasburg School District to construct a new school, which was erected beside the gymnasium, built in 1961. So the school year 1960-1961 saw two complete school units in operation in the city of Strasburg. That year Strasburg Public School began its operation with Frances Mullan as superintendent. The teachers were John J. Baumgartner, Jr., Jack Sitter, Al Dosch, Ray Lehner all teaching in the high school. The grade teachers were Philippine Berglund, Elrine Mullan and Alieda Van Boven.

St. Benedict's opened with Sister Kathryn and Rev. Mark Renner, OSB., at the helm. Other teachers were: Sister David, Sr. Gerard, Sr. Flora, Sr. Jacinta, Sr. Celestine, Sr. Salva, Sr. Josepha, Sr. Immaculata, Mrs. T. Schaesbauer and William Holt.

In Strasburg Public School during 1961-1962, Mr. Mullan continued on as superintendent. The new teachers in the system were Richard Burgett, Gaynor Goth, Melvin Van Beek, and Ray Wikenheiser. Shop classes were discontinued at this time. Melvin Van Beek directed the band.

At St. Benedict's 1961-1962 saw the Sisters of Notre Dame in almost all departments. Herman Baumgartner took over athletics. Fr. Stephen Kranz and Mrs. Thomas Schaesbauer helped along.

In 1962-1963 Strasburg Public School opened with G. H. Berglund the new superintendent and the teachers were Agnes Baumgartner, Donald J. Kraft, Mrs. Berglund, Elcerra Boscher, Warren Priske, Ray Wikenheiser, Kenneth Van Beek, and John J. Baumgartner Jr.

At St. Benedict's in 1962-1963 almost the same faculty was present. The newcomers were Sr. Theonita, Sr. Ruth Ann, Sr. Chrishelle, Sr. Mischelle. Aloys Dosch became the new athletic director, which position he still holds at this writing. (1965)

At Strasburg Public in 1963-1964 Mr. G. Berglund was superintendent. The teachers are J. J. Baumgartner, Jr., Warren Priske, Ray Wickenheiser, Gerald Shirley, Dennis Hogan, Douglas Weber, full time music instructor, Agnes B. Wudtke, Angela Reis, Mary L. Wagner and Mrs. G. Berglund.

St. Benedict's in 1963-1964 had Sr. Edith as principal of Notre Dame Sisters. Newcomers as teachers were Sr. Dominic, Sr. Stephen Marie, Sr. Rochelle and Adam Baumstarck.

Strasburg Public School 1964-1965 had the same faculty as the previous year. The only new teachers were Mike Hogan and Esther Humann.

St. Benedict's in 1964-1965 saw Sr. Anthony Marie, Sr. Dorothea, Sr. Lourdetta, Sr. Cabrini as new members on the faculty.

#### Sports History of the Strasburg Schools.

During the early years 1931-1934 most of sports were outdoor sports. In winter there was some basketball played. Practice sessions were held in a classroom in St. Benedict's Parochial School. The windows were screened and a basket was put up. Games were played away from home. Up to 1935 various buildings downtown were used for gyms. The old Kopps Store building, later a movie picture theater was the first gym. When it burned down the upstairs of Mike Lipp's Cafe became the gym, and some hot battles were fought up there. Another time the old Strasburg Bazaar building became the gym. When the first Matt-Ray Theater was enlarged it too served as a gym. This was the best place for sports that Strasburg had had up to this time. After the present Public School Gym was completed, a fine place for athletics and community programs was available. Basketball became the major sport and the name Strasburg Clippers came into existence soon thereafter. The trophy case in the gym was built by the shop class and as the years rolled along; the case soon had some occupants. Many second and third place awards are harbored up there, and believe it or not, there are also some championship trophies there. A Beaver Valley Basketball championship for the Clippers in 1935.

In 1946 SHS noted a County basketball championship with John J. Baumgartner, Jr., as coach and also a District Championship in 1946. SHS again saw a conference championship in 1951 in basketball and another in 1959. When the Clippers won the first South Central Conference Football championship in the history of the school, with a perfect record seven wins, and no losses, the coaches were Al Dosch and Assistant Bill Zacher.

At St. Benedict's we have the Knights showing their athletic powers by bringing home a football conference championship in the year 1963 with eight wins and no losses with Al Dosch coaching.

In basketball we had St. Benedict's win a championship in the South Central Conference in the year 1963-1964.

Again the St. Benedict's Knights came through with a co-championship in football in the Southwest Conference in the year 1964.

So much for athletics.

In the field of scholarship, music, and so forth, Strasburg has had more than its share of distinction and honor. All professions in life have been followed by their students. Many of the students could be named with their accomplishments, but rather than miss anyone, I shall not single out anyone in particular. Congratulations graduates—we feel your accomplishments have spoken well for the Strasburg Schools.

Now my dear readers, should you find any omissions in these reminiscences, you make your own additions along the margins and then place your name along that of the Scribe's.

The Champagne Music of Lawrence Welk

LAWRENCE WELK

My good friends and fellow alumni of Strasburg;

It is a great privilege to be included as an honorary member of the Strasburg Alumni Association. Having been forced to conclude my formal education at an early age for reasons of health, I am particularly conscious of the advantages of a thorough educational background. My limited schooling made it necessary for me to spend many years working in the dark. If this condition has any blessings or points up any moral, it might be this:--"It is better to work in the dark than not at all".

Technological advances in our fast moving world make it absolutely essential for every youngster to get all the learning possible. I respect and admire those who recognize this fact and make full use of the current educational facilities.

My musical family joins me in extending good wishes to our many good friends in Strasburg---and to all of you I send my warmest regards.

Sincerely,

Lawrence Welk

## DEDICATED TO EDUCATION . . .

Mr. John J. Baumgartner, Jr., was a member of the first graduating class in 1927 and presently on the faculty at Strasburg High School.

**MR. JOHN J. BAUMGARTNER, JR.**

Dear Alumni and Friends,

We of the Strasburg Schools welcome all you alumni, former teachers, and friends. May this reunion be a time when you can reminisce with your friends of the days gone by, and at the same time make new acquaintances. It is true that many of us have changed in some ways, but we hope not so much that we cannot recognize the resemblances. I am sure that I won't remember the names of all you that have some time or another been in any of my classes, but I can assure you that I have often thought of you and your whereabouts. In the course of my teaching career in the Strasburg School System, I had the pleasure of having had a goodly number of you people in some of the following school subjects: World History, U. S. History, Problems of Democracy, Citizenship, Vocations, Book-keeping, Junior Business Training, General Science, Biology, Aeronautics, Band, Woodcraft, Leathercraft, Shop Drawing, Blue Print Reading, Physical Education including basketball.

Throughout all these years, I had no occasion to take any one of you out of custody; therefore, it seems that at least the social science courses left a good mark along your path. We teachers seldom receive a pat on the back, but our reward is usually the satisfaction that you are doing well in your various fields of endeavor.

I have lost track of most of you along the pathway of life. Along my road, I can inform you that I am a family man and have six children, three boys and three girls: John is in the armed services in Europe, Richard Charles is a freshman, Thomas Lee is in the seventh grade, Mary Sue is a sophomore at North Dakota University, Margy Ann is at Mankato with the Sisters of Notre Dame, and Ellen Jean is a senior in high school.

My spare time is taken up with a farming venture; so all told I am kept pretty well on the go; not a bad habit, if you like it.

Sincerely,

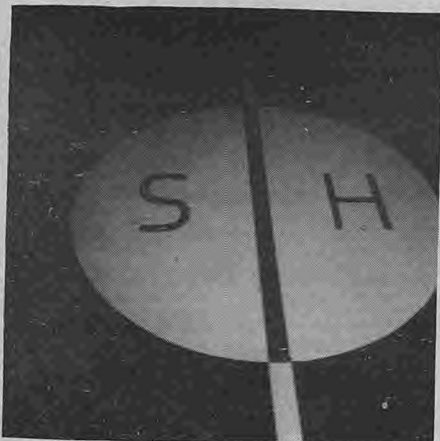

A handwritten signature in cursive script that reads "John J. Baumgartner, Jr." The signature is written in dark ink and is positioned above the printed name.

### The History of the Strasburg Alumni and Teacher Reunion

The Strasburg Reunion Head Committee was formed on Sunday, October 18, 1964, with its first task of tabulating the addresses and sending letters to all alumni and teachers of Strasburg High School and St. Benedict High School. The dates for the reunion were set for July 2, 3, 4, 1965. The committee then began to promote the reunion with the Strasburg Civic Club volunteering their services to make the reunion a great success. The committee formed sectional committees in Linton, Bismarck-Mandan, Milwaukee, and Minneapolis-St. Paul, with the main concern to gain interest from the alumni. The Bismarck-Mandan Committee demonstrated special efforts by sponsoring the Reunion Benefit Dance. Hour upon hour was spent organizing, planning, and deciding upon many of the important decisions. It was decided that a Reunion Remembrance Booklet should be published and an advertising campaign in its interests was then formed in Strasburg, Linton, and Bismarck. The committee decided that a highlight of the reunion should be the Parade of Years. To

note each year of graduation since 1927, the search for vintage cars was begun so that the Parade of Years could be shown through the years of automobiles.

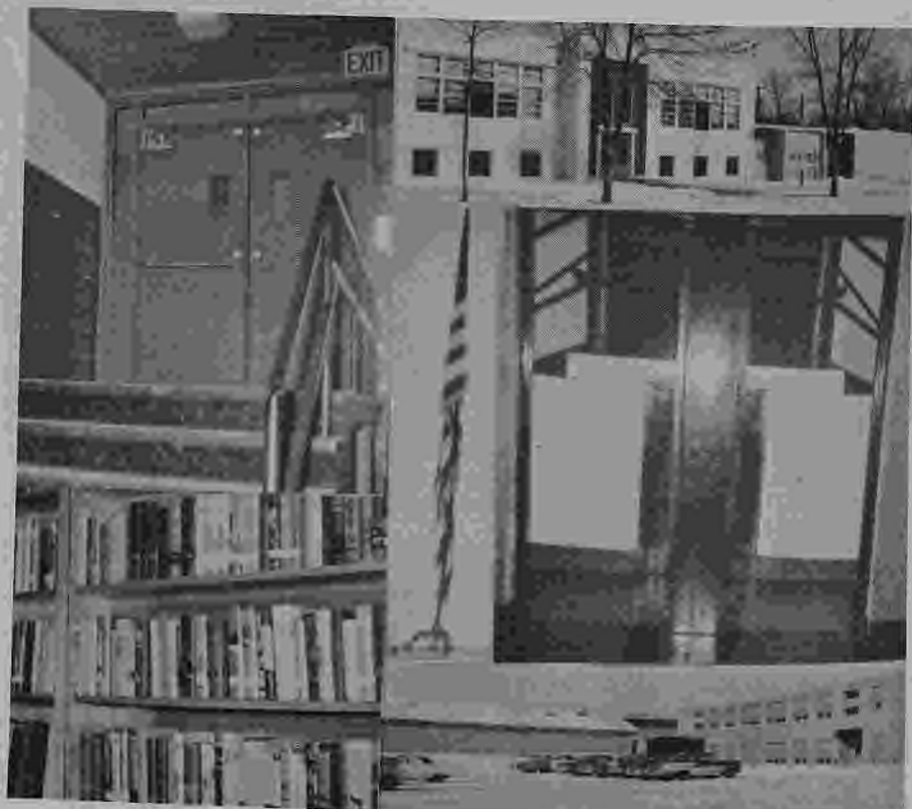

Well known dignitaries were sent invitations and provisions were made for floats, bands, and other possible entries.

The correspondence committee began tabulating the returning alumni and teachers and a weekly column, the "Reunion Notes", was begun in the Emmons County Record noting the alumni planning to be here and the progress of the reunion. Final letters were sent out to the alumni in the spring of 1965 and final decisions completed regarding the three day program.

This brief history of the Strasburg Alumni and Teacher Reunion could actually be expanded into a book; however, we have given you only a brief summary. You have concluded the final paragraph by participating in the reunion. We truly hope that you enjoy your stay in Strasburg and may your memories be filled with a sigh of happiness and a tear of friendship.

In closing, we wish to thank the people of Strasburg who donated financially to begin the launch of the reunion. To the advertisers included in the Reunion Remembrance Booklet; to the newspapers, television, radio, and magazines of the Dakotas; to the Emmons County Record; to the City of Strasburg; and finally, to the many hands who made the reunion a reality, we say "thank you" from the bottom of our hearts.

The Strasburg Reunion  
Head Committee

**Dear Alumni and Teachers:**

As we look back to the year 1964, your general chairmen note the beginning of probably the biggest undertaking ever to be staged in the community of Strasburg, North Dakota. The month of October opened a new idea in our minds—the Strasburg Alumni and Teacher Reunion. We discussed the idea with other alumni receiving a unanimous suggestion that we move forward to organize committees and begin the task that we shall never forget.

We have spent hours and hours in meetings, in writing letters, and in promoting the reunion with this one objective in mind—to make you, the alumni, remember these unforgettable days as some of the happiest moments in your lives. We truly hope that you have enjoyed seeing your former classmates, and reminiscing about the “good old school days.”

We note alumni here from throughout the United States and Canada. In closing, we sincerely wish to extend our deepest appreciation to you who have traveled from such a great distance and to you who have made such a great effort to help make this reunion successful.

These have been “Moments to Remember” for you and for your chairmen. May these few hours in the summer of nineteen sixty-five bring happiness and joy to your hearts.

Our best wishes to you throughout your lives.

Memorably yours,

*Adeline (Mattern) Schwab*

*Michael M. Miller*
